Fits Ford corporate bucket seat track systems (1979-86 Mustang/Capri, 1980-86 Thunderbird/Cougar, 1981-86 Escort/Lynx/EXP/LN-7 and 1984-86 Tempo/Topaz).

## MUSTANG FENDER FLARES KIT . . . M-50000-A61

Look fast when you're standing still. Give your Mustang that competition look you see at IMSA and SCAA road races. These Hi-Tech, contemporary, European-styled fender flares fit all 1979-86 Mustangs . . . except GT models with front spoiler and 1984 Mustang SVO. Convertibles require modification to the rear panels.

- They are designed for 15 x 8 wheels with 1-inch offset and 60-Series tires.
- The kit includes:
  - Two "bolt-on" flared front fenders
  - Two "adhesive-mounted" rear fender flares. Installation may require assistance of an experienced auto body technician. **Bonding material is not included.** It is readily available at local body shop outlets.
